Subject: Icicle Creek Temperature Data for LNFH NPDES permit

Jill,

There are 8 temperature reports available on line at <http://www.fws.gov/midcolumbiariverfro/reports.html#icicle> that cover 2005 to 2015. The Mid-Columbia River Fisheries Resource Office has an extensive amount of temperature data on the Icicle. Please look over the reports and see if you can narrow down your data request (ex. by time period or specific recording site), if possible. To request data or if you have any questions contact Greg Fraser (gregory_fraser@fws.gov; (509) 548-7573).
